Except as otherwise provided in this Agreement, the Committee retains all powers, rights, duties and authority which it had prior to entering into this Agreement. The exercise of said

powers, rights, duties and authority shall not be subject to the Grievance Procedure and/or Arbitration.

ARTICLE III EXISTING CONDITIONS OF EMPLOYMENT

With respect to matters not covered by this Agreement which are proper subjects for collective bargaining, the Committee agrees it will make no changes without prior consultation and negotiation with the Union. Being a mutual agreement, this instrument may be amended at any time by mutual consent.

ARTICLE IV FAIR PRACTICES

As sole collective bargaining agent, the Federation will accept into voluntary membership all paraprofessionals covered by this Agreement and will not discriminate against any bargaining unit member in a protected class as defined by applicable state and federal anti-discrimination laws.

The Committee and the Federation agree that there will be no discrimination in the hiring, training, assignment, promotion, transfer, or discipline of any bargaining unit member in a protected class as defined by applicable state and federal anti-discrimination laws.

Notwithstanding any Article or Articles to the contrary, the parties agree to the following:

- B. All personnel covered by the recognition clause of the Contract (Article I) employed after February 13, 1978 by the Springfield Public Schools shall be residents of the City of Springfield. All personnel so employed shall remain residents of the City of Springfield as a condition of continued employment.
- C. Should the Springfield City Council repeal the residency ordinance for City employee's during the term of this agreement; the Springfield School Committee, effective on the date of repeal, will cease enforcement of residency for employees of this unit for the duration of this agreement or extension thereof.

ARTICLE V WORKING CONDITIONS

A. Notices and Announcements

1. All official circulars pertaining to paraprofessionals shall be posted electronically.
2. Each paraprofessional shall have access to an up-to-date copy of the Rules and Regulations of the Springfield School Committee and all amendments thereto.
3. The names and school addresses of all members of the staff will be provided electronically.

B. School Facilities

1. Every school building shall have at least one furnished lounge for use by teachers and paraprofessionals.
2. Each paraprofessional shall be provided with a space for his/her/their exclusive use in which he/she/they may securely store his/her/their personal belongings, instructional materials and supplies. Space as used above is intended to mean a locker, closet or file cabinet.
3. Any phone available for teachers in the lounge may be used by paraprofessionals.
4. Adequate parking facilities for paraprofessionals shall be furnished to the extent possible. School parking facilities shall be plowed and/or sanded.
5. Mailboxes for paraprofessionals shall be provided at all schools.
6. Paraprofessionals shall be allowed to use existing workrooms in each building.
7. Copiers and computers are available to paraprofessionals to use in preparing instructional materials.
8. All bargaining unit members will have reasonable time to travel to different assignments within the building and between buildings.

C. School Supplies

Supplies will be available to paraprofessionals from the teachers with whom they work or from persons to whom they are directly responsible.

D. Substitutes

If a paraprofessional is put into the responsibility for a teacher in a situation where there should be a substitute teacher, the paraprofessional will receive the substitute rate. The paraprofessional must receive permission to substitute in advance from the Principal or the Principal's designee to get paid. Tutors/Fellows may be assigned as substitute teachers at the Principal's discretion.

Effective October 5, 2017, the substitute rate shall be \$8.50 per hour worked as a substitute. Should a Paraprofessional work as a substitute for any part of a half hour they will be paid \$4.25 (e.g. a Paraprofessional who works 1 hour and 7 minutes as a substitute will receive \$12.75).

Preparation time when doing Substitute Teaching for entire day: (Effective August 2000)

The Principal/or his designee, will ordinarily provide a preparation period if the regular teacher has a preparation period that day.

If a prep period is provided; then the Paraprofessional would not be entitled to a fifteen (15) minute break on that day.

E. Paraprofessional Assignment

Each paraprofessional shall be notified of his/her/their assignment (or any subsequent changes) for the ensuing year in a Notice of Assignment on or prior to August 15th.

Historically, the District has notified employees in writing by mail or hard copy. Effective immediately the parties agree that notice may alternatively be sent electronically (email or other electronic notification).

F. Length of Work Day and Work Year

1a. The work day for paraprofessionals shall be six and one half (6-1/2) hours exclusive of a duty-free lunch period

1b. The workday for LPNs will consist of seven (7) hours exclusive of duty free lunch. The workday for Health Assistants will consist of 7.5 hours, including a paid half hour lunch for which the Health Assistant will be required to remain in the building.

1c. Tutors/Fellows will work a schedule of up to 7.5 hours per day, exclusive of a half hour unpaid lunch.

2. The work year for paraprofessionals shall be the regular school year (180 student days), four (4) full professional development days before the start of the school year, one (1) full convocation day and three (3) full professional development days during the school year. All of these professional development days will be without students in attendance. The Committee may change the school day, as deemed appropriate, provided it gives fifteen (15) days prior notice to the unit members and makes every effort to accommodate those who cannot make personal arrangements to work under the new hours, by moving them to available positions for which they are qualified. The parties agree to establish a Joint Committee (three members for the School Committee and three members for the Union) for the purposes of improving the professional development program for the members of the bargaining unit.

3A. For Paraprofessionals, the four (4) days referenced above will have five (5) contact hours with a paid hour for lunch and two (2) paid breaks for a six-and-one half (6.5) hour day. On the three (3) days during the school year, there will be six (6) contact hours with an hour for lunch for a seven (7) hour day. On these three (3) days schools will operate on their regular schedule. Paraprofessionals will be paid their regular daily rate for these three (3) days.

District wide Professional Development may operate with a different start and end time consistent with the above.

3B. Effective January, 2002, Health Assistants, LPNs, CNAs, OT/PT Assistants, and Assistant Teachers will work a full work day, exclusive of a paid break and unpaid lunch, on Professional Development Days.

The three (3) Professional Development days may be school based, and if they are school based, will be developed, implemented and directed by the Principal working in cooperation with the Director of Professional Development and with the cooperation of the President of the Paraprofessional Union.

These days will be for training of staff in areas appropriate and pertinent to their assigned tasks within the system. (Certified Nursing Assistants, Licensed Practical Nurses, Health Assistants, Occupational Therapy Assistants and Physical Therapy Assistants may be different and may include content that will provide continuing education contact hours as required for certification/license renewal.) The Federation will assist the School Department in developing the curriculum for these days.

4. Health Assistants will work up to five additional days if authorized by the School Superintendent each year. These 5 additional days will either precede or follow the normal school year.

G. Duty Free Lunch & Break

1. Break

Each member of the bargaining unit will have one fifteen (15) minute, unassigned, break per work day, at a time determined by the principal. This time may vary from day to day. If a prep period is provided a paraprofessional under Article V, Section E on a given day, the Paraprofessional will not receive a break on that day.

2. Elementary school paraprofessionals shall have a duty free lunch period of one half (1/2) hour, except in case of emergency.

3. Secondary school paraprofessionals shall have a duty free lunch period of one-half (1/2) hour between the end of one assigned duty and the beginning of another, except in case of emergency.

4. This duty free lunch is to be centered around the normal lunch hour and not at the end of the school day. Paraprofessionals substituting for a teacher will be provided a duty free lunch in addition to their contractual break.

H. Meal Service

Meal Service duties may be assigned to paraprofessionals in this unit under the terms of this Agreement as part of their regular duties. Paraprofessionals who perform Meal Service lunch or breakfast supervision under this Agreement during their regular hours of work shall be paid either the rate of pay applicable to others, from outside the unit, doing meal supervision or their regular rate, whichever is higher.

Meal supervision duties are assignable to employees in this unit but are not bargaining unit work. Unit members who perform meal supervision as volunteers, outside their assigned hours of work, shall receive only the applicable meal supervision rate determined by the Committee.

If the Committee's agents assign meal supervision to paraprofessionals during regular hours of work, they do so under the following provisions. Volunteers shall be sought by the Committee's agents prior to making involuntary assignments. Involuntary assignments shall be made of the least senior available paraprofessional (who is classified as a paraprofessional in Appendix A) whose assignment will not disrupt the instructional program.

Tutors/Fellows may be assigned as meal service at the Principal's discretion.

I. Bus Monitor

Employees who volunteer to ride the bus with a student to and from school whose IEP requires it will be compensated at their contractual hourly rate, otherwise they will be paid at the bus monitor rate. In addition, employees who perform this service will be picked up at their school location in the morning, and dropped off at an agreed upon location. Tutors/Fellows shall not be assigned to ride a school bus under this provision.

J. Employment List

The Federation will be supplied with a list of paraprofessional personnel upon reasonable request. The list will contain date of employment, current assignment, address and telephone number.

Employment is further defined as the total length of continuous service in the bargaining unit including all leaves of absence. Resignation, dismissal, abandonment of a position, expiration of the recall period or refusal to accept on two occasions (having been offered a comparable position and refused twice) an offered position within the recall period, will constitute a break in service. A break in service severs all prior employment rights and prior time will not be counted when tabulating total length of continuous service.

If in the event of layoff, if two or more members of the bargaining unit have the exact same employment date, a lottery shall determine which paraprofessional fills the available position.

The Federation will be provided with an updated recall list upon reasonable request.

K. Diapering/Toileting

The parties recognize that some students must be toileted/diapered or toilet trained during the school day. The parties agree that meeting these students needs is not a job function exclusive to the paraprofessionals and expect that other employees within the system may continue to provide these services. Tutors/Fellows are excluded from the provisions of this section.

While the employer will make reasonable effort to accommodate paraprofessionals (except for LPNs, Health Assistants, and Certified Nursing Assistants, who have diapering as

part of their regular duties) who do not wish to provide these services by transfer to another available position, the need to perform these services is considered a special qualification for a given position. To this end the parties further agree:

Employees hired prior to April 16, 1998 have first preference for all paid diapering/toileting assignments in accordance with I. 2-A, B and E. Paraprofessionals performing these services on a regular basis may diaper/toilet up to three children in the classroom they are assigned to and will be paid a monthly stipend of \$100.00 for up to ten months per regular school year to a yearly maximum of \$1,000.00.

Paraprofessionals performing these services on a regular basis who diaper/toilet the same three children in the (half day) a.m. session and who also diaper/toilet the same three children in the half day p.m. session in the classroom they are assigned to will be paid a monthly stipend of \$100.00 for up to ten months per regular school year to a yearly maximum of \$1,000.00.

Paraprofessionals performing these services on a regular basis who diaper/toilet more than three children and up to six children in the classroom they are assigned to will be paid a monthly stipend of \$200.00 for up to ten months per regular school year to a yearly maximum of \$2,000.00.

A classroom that requires diapering/toileting of more than six children will need an additional Paraprofessional or Certified Nursing Assistant to perform these services.

Employees hired **after** April 16, 1998 are hired with these services as part of their job requirement. These paraprofessionals may be assigned by the Principal, following approval from the Executive Director of Human Resources, to provide these services on a regular basis will be paid the same monthly stipend as employees hired **prior** to April 16, 1998, and will be paid the same yearly maximum amount for up to ten months per regular school year.

If two people are needed to Diaper or Toilet any student in a wheelchair that has to be lifted, then both people will be paid a monthly stipend of \$100 per month up to a maximum of \$1,000.

1. With the exception of LPN's, Health Assistants and CNA's who perform these services as a regular part of their employment duties volunteers will be the primary source for providing these services and to that end the following is agreed to:

a. Persons currently providing these services and volunteering to continue them will be given priority opportunity, by building, to do so. These services will be in the person's classroom of assignment and will be provided for up to three (3) students per person.

b. In the event that the person currently providing those services leaves the employ of the Springfield Public Schools or transfers, the position will be offered to the most senior person presently working in that building whose name is on the system-wide master list of volunteers and who meets the criteria of Article VI-Section 4.

c. In the event that there are no volunteers working in the building, the position will be offered to persons who are on the system-wide volunteer list regardless of

building locations and who meet the criteria contained in Article VI - Section 4. In some cases, this transfer may result in the least senior paraprofessional in that building being transferred to another school if there are available openings or being subject to the Reduction-In-Force procedure in accordance with Article V-Section L.

d. In the unlikely event that a paraprofessional volunteers and is assigned by the Principal to provide these services on an emergency basis as a substitute when other paid paraprofessionals who regularly provide these services are unavailable, that paraprofessional will be paid an additional \$5.00 per day.

e. This Master List will be posted each May/June (more often if required).

f. Under Education Reform, Principals have the responsibility of hiring.

2. In implementing the above agreement, the parties further agree:

a. No LPN's, Health Assistants and CNA's will be laid off solely as a result of this agreement.

b. The Springfield Public Schools agrees to provide training for paraprofessionals assigned to these duties.

c. That all paraprofessionals with these duty assignments will be offered Hepatitis-B shots free of charge. There shall be a separate posting specifically for Paraprofessionals informing them of the Hepatitis-B shot schedule.

d. That effort will be continued to provide adequate areas as well as supplies to perform these services.

e. Within the course of their employment paraprofessionals will continue to receive indemnification as provided by the City of Springfield.

f. That if faced with a layoff, a paraprofessional hired prior to April 16, 1998 may choose to volunteer to diaper/toilet/toilet train to avoid a layoff.

g. That if a reduction in force under Article V- Section K occurs, a paraprofessional hired prior to April 16, 1998, except Health Assistants, C.N.A.'s and Licensed Practical Nurses, who have medical problems which prevents him/her/them from performing diapering/toileting/toilet training duties may be excused from said duties upon presentation of acceptable medical documentation. Said documentation of his/her/their disability will be presented to the Superintendent or his/her/their designee. The Springfield Public Schools has the right to independently verify, through the use of its designated physician, said disability. Failure of the employee to fully cooperate with the Superintendent or his designee could result in layoff.

L. Program Termination Due to Cut-off or Reduction of Federal Funding

1. An effort will be made to lessen the impact of program termination due to a cut-off or reduction of Federal funding through transfer of Federal Funded Paraprofessionals to

positions funded by the City to the extent that such positions are at that time open and in the approved budget and said filling of these open positions is approved by the School Committee.

2. There will be no indiscriminate transfers of personnel from City funded programs to Federal funded programs in contemplation of a reduction in Federal funded programs, for the sole purpose of discriminating against any employee.

M. Reduction in Force Procedure

1. In the event of a cut-back in personnel within the unit, employees shall be reduced in order of length of continuous service defined in Article V, Section J, (employment list) as applied in the following categories:

- a. Para-educators, excluding volunteers.
- b. Assistant teachers
- c. Licensed Practical Nurses
- d. Health Assistants (LPN)
- e. Certified Nursing Assistants
- f. Occupational Therapy Assistants
- g. Physical Therapy Assistants
- h. Tutors/Fellows

In the event that the Springfield Public Schools determines that the level of medical services to be provided to students in a particular school requires that a School Nurse (RN) be assigned to replace a Health Assistant (LPN), the Health Assistant will be assigned to a vacant LPN-Special Education position and will work seven (7) hours each day exclusive of a half hour (1/2 hr.) duty free lunch.

In the event that no vacant position is available as a LPN - Special Education, the employee's employment status will be determined in accordance with Article 5 - Working Conditions, L. Reduction in Force No's 1, 2, 5.

2. If there is a reduction in category b, c, the employee(s) with the least total length of continuous service in that particular category shall either be laid off, or if that employee(s) had previous experience (in the City of Springfield) in any other category, he/she/they shall be measured by total length of service in the other category(s) and the employee(s) with the least total length of service shall be laid-off; except as outlined in Item 5.

3. If there is a reduction in category (a), the employee(s) with the least total length of continuous service shall be laid off; except as outlined in Item 5.

4. In implementing layoff, members of the unit with sufficient total length of continuous service will be transferred to available positions. Efforts will be made to retain employees in their current assignment.

5. An employee with a more recent (current) employment date may be retained over an employee with more total length of continuous service if the senior employee does not have special qualifications required to perform the duties of a certain position(s). The Superintendent or his designee will notify the Federation when this subsection is utilized by providing the names(s) of the least senior employees and the special qualifications possessed.

6. The School Department reserves the right not to recall any employees with a below average annual rating in the area of promptness and/or dependability in two out of the last three school years in which the employee was evaluated.

7. Personnel shall be recalled consistent with the layoff language. Thus a qualified paraprofessional will be recalled based on total length of continuous service and previous experience within the unit. Personnel with the most continuous service will be recalled first.

8. Recall rights shall continue for twenty-four (24) calendar months following layoff. Layoff shall not break continuous service. Notwithstanding the prior sentences, a paraprofessional who refuses to accept on two occasions (having been offered a comparable position within the recall period) will terminate re-employment rights and constitute a break in service at the time of the second refusal.

9. Time spent on layoff will not count for advancement on the salary scale or make the employee eligible for disability and emergency leave in addition to that accumulated prior to the layoff. Personnel returning to work during the school year will receive pro-rata disability and emergency leave for that school year.

10. Employees recalled during the recall period shall receive credit for their prior accumulated sick leave as well as appropriate placement on the salary scale.

N. Employment

Any employee who has completed a 120 working day probationary period as hereinafter defined shall not be discharged, suspended, demoted, or disciplined without good cause, (hereinafter defined). Such good cause shall be given to the employee in writing.

1. Probation Period

The first 120 working days of service by a newly hired employee shall constitute such employee's probationary period. Working days shall include fully paid sick leave but shall exclude (not include) days without pay including leave without pay and time spent on Workers Compensation. At any time during the probationary period a newly hired employee may be terminated at the sole discretion of the employer. (Without recourse to the grievance procedure.) Tutors/Fellows probationary period and seniority begins with their hire date by Springfield Public Schools.

2. **Good Cause**

A reason put forth in good faith which is not arbitrary and/or capricious.

3. **Appeal**

An employee covered under this Article who believes he/she/they has been suspended, discharged, demoted or disciplined without good cause may grieve that action under the grievance procedure.

O. Job Site Para-educators

1. Para-educators assigned to work at off-school site programs (e.g. Goodwill, Big Y, other work sites designated by the Employer), hereinafter referred to as "Job Site Para-educators "

2. Job Site Para-educators assigned to work at off-school site programs (e.g. Goodwill, Big Y, other work sites designated by the Employer) will work a regular work day of seven (7) hours per day, inclusive of a paid meal break and transportation (if the employee travels from the assigned school to and from the work site). It is understood and agreed that Para-educators at these work sites will take their meal break with the students in the program and may be required to assist these students during their meal period.

3. At the Employer's discretion Job Site Para-educators will be directed to: a. report directly to the work site at the beginning of the school day and leave directly from the work site at the end of the school day. b. report to the school at the beginning of the school day and leave from the school at the end of the school day. or c. report to a school and ride on school transportation with their assigned students to and from the work site and leave from the school at the end of the workday.

4. Employees who must drive their own vehicle and who are assigned to a work site outside of the City of Springfield will be reimbursed for mileage at the mileage reimbursement rate established by the City of Springfield Comptroller. Said mileage will be paid from the employee's residence or assigned school (whichever is closer) to the work site.

5. Job Site Para-educators will not be eligible for compensation for Substitute Teacher coverage. Job Site Para-educators will not be eligible for additional compensation for meal coverage or for riding a school bus without a Bus Monitor as these duties will be performed during the seven (7) hour workday referenced above for which the Job Site Para-educators will be receiving their regular hourly rate.

6. Job Site Para-educator vacancies that occur after the commencement of a school year and before the conclusion of said year will be posted internally for application by members of the bargaining unit."

P. Work Week

The regular work week for all paraprofessionals includes time for working with teachers, in-service or administrative meetings and assisting in the various general duties in the school under the direction of the principal.

Q. Non-instructional Supervision

Notwithstanding any language or past practice to the contrary the parties have agreed that a paraprofessional may be assigned supervision of children without the presence of a member of the professional staff being present. In so agreeing to this provision the School Committee recognizes its obligations to ensure that such assignments must be reasonable under the circumstances and that paraprofessionals should not be placed in a situation in which other adult assistance is not available to assist in emergency situations.

The parties further have agreed that the subject matter of reasonableness for different assignments is a legitimate subject matter for discussion with the Superintendent during the term of this agreement. The parties also recognize that a broad range of supervision is contemplated, from supervising a few special needs students to many children at recess on a playground.

R. School Centered Decision Making Team (SCDM)

Should a Paraprofessional assigned to a given school wish to serve on the S.C.D.M. Team a single slot will be made available for a paraprofessional to serve on that team. The paraprofessional selected will be decided on by the Union among the paraprofessionals at that school willing to serve. While serving as a participant on the SCDM team each paraprofessional shall be paid \$750.00 (seven hundred and fifty dollars) per year.

S. Joint Labor Management Committee

A Joint Labor Management Committee will be formed to investigate and to make recommendations to the School Committee and Union negotiating teams concerning the job responsibilities and other issues related to paraprofessionals. The Joint Committee established between the Committee and the Union to discuss and establish job descriptions for positions in this bargaining unit shall continue to function until such job descriptions are completed. At the completion of job descriptions, the respective parties will discuss adoption and implementation by the Committee.

T. Professional Work Appearance

All employees covered under this collective bargaining agreement must present a professional work appearance. Employees shall wear neat, clean work attire. Employees are expected to dress in a manner that is normally acceptable in similar professional environments. Employees shall dress in a way that promotes respect and shows students that they are the authority in the classroom.

U. School Culture

Should there be an issue with school culture at any particular school the parties agree to meet and confer.

ARTICLE VI TRANSFERS OR RE-ASSIGNMENT

A. Postings

All positions filled during the school year that were not posted the prior June 15th as well as known vacancies will be posted on or before June 15th each year. A copy will be sent to the President of the unit.

B. Transfer Program
